Tesi

Divano componibile
Modular seating system

Tesi, un vasto programma di sedute, dai volumi generosi, disponibili con due braccioli di diversa profondità. Semplice, sobrio ed elegante, di straordinaria comodità, grazie all'accoglienza dell'ampia seduta e agli esuberanti cuscini. La gamma completa degli elementi consente di arredare ampi spazi dal gusto classico e moderni ambienti di diverse dimensioni.

La versione in tessuto è completamente sfoderabile, la versione in pelle, presente in queste pagine, con un contrasto materico dato dalla anilina e dal nabuk, può giocare sul ritmo intercalare e scomposto dei volant.

Alla collezione troviamo associato il servetto Tesi che si può posizionare perfettamente adiacente ai divani.

Un piacevole abbinamento può avvenire anche con la collezione Linea, una gamma di tavolini moderni, delimitati da fasci di esili aste metalliche a protezione e sostegno dei piani, disponibili in ceramica nelle diverse finiture: dal luminoso Calacatta, al venato Noir Desir, alla opacità tattile dell'Ardesia, del Savoia e della Pietra d'Istria.

Tesi può piacevolmente combinarsi anche con Equinozio, tavolino che nella sua forma e costruzione esalta la lavorazione del noce canaletto, con il polifunzionale mobile Riviera sapientemente rifinito nella stessa essenza su ogni lato e con il tavolino Era, dal design minimale ed essenziale; con un leggero profilo metallico sostiene il piano Ansa, frutto di una elaborata tecnologia artigianale di curvatura a caldo del vetro.

Tesi is an extensive seating system characterized by the generous volumes and the choice between two armrest of different depth. Simple, sober and elegant, extraordinarily comfortable, thanks to its welcoming large seats and the exuberant cushions. The complete range of elements allows you to furnish extensive spaces of classic taste or modern environments with diversified sizes.

The fabric version is completely removable, the leather version, portrayed in these pages with the material contrast given by the encounter of aniline and nubuck, can enhance the intertwined and decomposed rhythm of the ruffles.

Synergic with the collection we find the Tesi side table, that can be positioned perfectly adjacent to the sofas. A pleasant pairing can also be done with Linea collection, a range of modern coffee tables, delimited by bundles of slender metal rods, to protect and support the tops, available in different ceramic finishes: from the luminous Calacatta, to the veined Noir Desir, to the tactile opacity of the Ardesia, or the Savoia and the Istrian stone.

Tesi can also be pleasantly combined with Equinozio table, that exalts in its shape and construction the processing of Canaletto walnut, with the multifunctional lowboard Riviera skilfully finished in its own essence on all sides and with the Era coffee table, with a minimal and essential design; with a slight metal profile it supports the Ansa glass top, result of an elaborate curving technology at very high temperature.

Teorema

Divano componibile
Modular seating system

Teorema. Ogni design nasce unico, ma quello di Teorema può reinventarsi nel tempo grazie ad un sistema che permette di modificare la sua configurazione mediante un innovativo meccanismo di rotazione degli schienali a 90 o 180 gradi. La sua linea moderna, leggera è arricchita dall'accurata trapuntatura, con cuciture che incrociano l'intera seduta e il perimetro degli schienali. Sospeso su particolari basamenti in metallo può essere ambientato ovunque, a proprio agio in uno spazioso loft o protagonista in un ambiente tradizionale. In queste immagini la versione arcata circonda il tavolino Era con il piano Ansa di vetro, in pasta nera, curvato. Le rassicuranti e discrete poltroncine Petra completano la proposta, assieme ad un ulteriore defilato interprete, il mobile Riviera rivestito in noce canaletto con un piano in ceramica nella finitura Noir Desir. L'articolata composizione angolare di Teorema è qui proposta con i tavolini Orme di vetro in pasta nera, resi particolari e unici dal vassoio, in noce canaletto massiccio, inserito nel piano.

Teorema. Every design born unique, but the formal conceit of Teorema can reinvent itself over time, due to a system which can modify its configuration by means of an innovative swivel mechanism that allows the backrest rotation of 90 or 180 degrees. Its modern and light outline is enriched by the accurate quilting, with seams that intersect the whole sitting and surround the perimeter of the backrests. The specific design of the cast-metal base that lifts the sofa off the floor, allows to fit it confidently in any setting, at ease in a spacious loft or protagonist in a more traditional ambience. In these pictures the arched version surround the Era table with top Ansa, curved in black paste glass. The reassuring and discreet Petra armchairs complete the proposal, together with a further one defiled interpreter, the Riviera lowboard, veneered in walnut with a ceramic top in Noir Desir finish. The articulated angular composition of Teorema is here presented with the Orme coffee tables in black paste glass, made particular and unique by the presence of a tray, in solid American walnut, inserted in the top.

Armonia, una collezione di divani ed elementi destinata a durare nel tempo. Una rivisitazione attenta, uno stile combinato per dare il massimo del comfort con un poggiatesta mobile, pur mantenendo una linea estremamente moderna. I basamenti in acciaio, posti al margine della struttura, conferiscono carattere e sottolineano questa purezza delle linee. Abili ed essenziali cuciture adornano i diversi cuscini mentre le forature nella versione pelle dimostrano l'attenzione ai particolari e una tecnica artigianale evoluta per migliorare il comfort, consentendo alle cuscinature di respirare. Con gli elementi presenti nella collezione si possono creare composizioni per tutti gli spazi e delle piacevoli isole di relax con grandi ed eleganti chaise longue. Gli elementi Armonia sono disponibili sia nella versione in tessuto sia nella versione in pelle; li possiamo vedere in questa occasione piacevolmente abbinati ai pouf Quadro, rivestiti con un raffinato intreccio in vera pelle, e alla collezione di tavoli Orme di vetro temperato, in pasta nera, con integrato un innovativo vassoio in noce canaletto.
